

Delivery Questions

Where do we deliver?

We can deliver to most mainland Great Britain addresses. You can arrange delivery to your workplace, neighbour or friends if it's more convenient, at no extra charge.

We are unable to deliver unfortunately to the Isle of Man, Northern Ireland, Scilly Isles, some remote areas of Scotland, and the Scottish islands (postcodes beginning with AB, DD, FK, IV, KW, PA, PH). This is because we cannot guarantee that the order will be delivered within 24 hours.

When do we deliver?

Orders are usually dispatched within 3-5 working days from the date of the order being placed. All orders are delivered using a next day service, but please note this is from date of dispatch, not date of placing orders and we don't normally dispatch on a Thursday or Friday.

Who delivers your orders?

We use a national courier network (APC) to deliver our orders.

Do I have to be at home when you deliver?

No. We do encourage our customers to always provide us with a delivery instruction with your order telling us where you would like us to leave your order. It would be best placed somewhere cool or at least in the shade. We can also arrange for delivery to your workplace if this is more suitable.

Will my order stay cold?

Your order will be delivered to you packaged in an insulated polystyrene box.

How is the meat packaged?

The meat products are packed in vacuum packs..

What is the delivery charge?

Delivery charges are for one delivery to any single mainland Great Britain address. Yes.
